this classic text originally published in 1948 is a study of the public administration movement from the viewpoint of political theory and the history of ideas it seeks to review and analyze the theoretical element in administrative writings and to present the development of the public administration movement as a chapter in the history of american political thought the objectives of the administrative state are to assist students of administration to view their subject in historical perspective and to appraise the theoretical content of their literature it is also hoped that this book may assist students of american culture by illuminating an important development of the first half of the twentieth century it thus should serve political scientists whose interests lie in the field of public administration or in the study of bureaucracy as a political issue the public administrator interested in the philosophic background of his service and the historian who seeks an understanding of major governmental developments this study now with a new introduction by public policy and administration scholar hugh miller is based upon the various books articles pamphlets reports and records that make up the literature of public administration and documents the political response to the modern world that graham wallas named the great society it will be of lasting interest to students of political science government and american history

from the early postwar period until his death at the turn of the century dwight waldo was one of the most authoritative voices in the field of public administration through probing questions creative ideas and novel insights he perhaps contributed more than any other single figure to the development of public administration as a discipline in the mid 20th century from his classic masterful debut the administrative state 1948 to his last published book the enterprise of public administration 1980 in this new look at dwight waldo s writing richard stillman offers a representative selection of waldo s most important works alongside introductory essays to help a seasoned public administration scholar as well as the novice student alike appreciate and comprehend waldo s remarkable contribution to this critical field of study selections have been chosen for their ability to speak to current and ongoing concerns of the field in the 21st century as well as for their utility readability and importance this anthology provides new generations of readers with a fresh look at the work of this prolific profoundly influential author while offering both administrative scholars and practitioners renewed access to many of his hard to find works this book will be required reading for all those interested in public administration as a field of inquiry and practice

the prevailing notion that the best government is achieved through principles of management and business practices is hardly new it echoes the early twentieth century gospel of efficiency challenged by dwight waldo in 1948 in his pathbreaking book the administrative state asking efficiency for what waldo warned that

public administrative efficiency must be backed by a framework of consciously held democratic values revisiting waldo s administrative state brings together a group of distinguished authors who critically explore public administration s big ideas and issues and question whether contemporary efforts to reinvent government promote privatization and develop new public management approaches constitute a coherent political theory capable of meeting the complex challenges of governing in a democracy taking waldo s book as a starting point the authors revisit and update his key concepts and consider their applicability for today the book follows waldo s conceptual structure first probing the material and ideological background of modern public administration problems of political philosophy and finally particular challenges inherent in contemporary administrative reform it concludes with a look ahead to wicked policy problems such as terrorism global warming and ecological threats whose scope is so global and complex that they will defy any existing administrative structures and values calling for a return to conscious consideration of democratic accountability fairness justice and transparency in government the book s conclusion assesses the future direction of public administrative thought this book can stand alone as a commentary on reconciling democratic values and governance today or as a companion when reading waldo s classic volume

now in its third edition encyclopedia of public administration and public policy remains the definitive source for article length presentations spanning the fields of public administration and public policy it includes entries for budgeting bureaucracy conflict resolution countries and regions court administration gender issues health care human resource management law local government methods organization performance policy areas policy making process procurement state government theories this revamped five volume edition is a reconceptualization of the first edition by jack rabin it incorporates over 225 new entries and over 100 revisions including a range of contributions and updates from the renowned academic and practitioner leaders of today as well as the next generation of top scholars the entries address topics in clear and coherent language and include references to additional sources for further study

publisher description

in mastering public administration each chapter spotlights a significant theorist in the field covering his her life research writings and impact introducing the discipline s most important scholarship in both a memorable and approachable manner the combination of biographical narrative with explanation and analysis makes abstract theories understandable while showing how subject scholars relate to each other in their work providing much needed context the book s chronological organization shows the evolution of public administration theory over time with the new edition the authors will be adding mini chapters that link contemporary scholars and their research to the seminal literature

volume contains 192 ny 415 ostrander v state of n y 193 ny 616 people v blake 193 ny 1 people v bloom

although the two intertwined at first the contributions of these settlement women to the development of the administrative state have been largely lost as the new field of public administration evolved from the research bureaus and diverged from social work camilla stivers now shows how public administration came to be dominated not just by science and business but also by masculinity calling into question much that is taken for granted about the profession and creating an alternative vision of public service
